We've got exciting news about Evergreen Arboretum and Gardens!

## December 2019

Happy December to all the friends and members of Evergreen Arboretum & Gardens! We hope that everyone had a wonderful Thanksgiving holiday with family and friends - and that everyone had way too much food to eat of course. As we officially begin winter later this month, there is still much going on in the gardens. Projects continue and planning for 2020 is happening. We are all looking forward to the coming New Year at the Arboretum.

We have a number of projects in the works and look forward to completing them over the coming months. In December, we continue to plant more tiny treasures into the Horizontal Rock Garden and begin the annual winter pruning cycle once again. Hopefully the weather will cooperate and allow us to get ahead on some things heading into Spring 2020. Our new website is almost done as well and we look forward to showing it off soon.

Our group received word in November that we have been selected for one of the Mayor's Awards from the City of Everett Cultural Arts Commission. We are all both pleased and honored for this recognition! But this award is for all of you as well - all of our supporters have helped make this happen! Our group has striven to add unique sculptures into the gardens over the years, and we are proud to have quite a collection represented at

Evergreen Arboretum & Gardens. But the work is not done..... we will continue to look for new opportunities to add art into the gardens and promote the collection in the community. Thank you to the Mayor and the Cultural Arts Commission for this honor!

### **GIVE THE GIFT OF MEMBERSHIP TO THE ARBORETUM!**

Remember, memberships to Evergreen Arboretum & Gardens make great holiday gifts. All membership dollars go directly to support programs and projects in the gardens. Our current membership year runs through February 2020 but it is never too early to join for the first time, or renew as current member as well. If you join as a new member now, we will honor your membership through February 2021 - that's over two extra months for the same price! By joining the Arboretum family, you are not only supporting us, you gain access to all of our classes and events throughout the year. Consider giving a membership to a gardening friend, a neighbor who enjoys strolls in the Arboretum, a family member - anyone - and feel good about supporting Evergreen Arboretum & Gardens. [Join anytime on our website \(www.evergreenarboretum.com\)](http://www.evergreenarboretum.com) and help us continue to make this park a destination that we all can be proud of in the community!

All of us at the Arboretum wish all of you continued happiness and health through the holidays and into the coming new year. As always we value all of you - our volunteers, members, and supporters - more than you can ever know. We are excited to begin 2020 as we continue to partner with all of you. We all can make Evergreen Arboretum & Gardens a fabulous place where families and nature can connect every day at any time. Thank you all for your continued support!
